SAMMAMISH YOUTH BOARD

October 20, 2005 – 6:00-7:30PM
Sammamish Library

Minutes

1. The meeting was called to order at 6:05pm.
2. No guests attended this meeting, meaning there was no need for a welcome.
3. The Lake Washington Superintendent meeting was not attended in October.
4. There were many upcoming events including the Haunted House in which people were encouraged to come and show support for the event the nights of by attending the Haunt. The Adopt-a-Road was planned for November 5th although it got rained out. Eastside Baby corner sign up was passed around for the 7th from 7-8:30. The Lake Washington Superintendent planning meeting was announced and explained in more detail. The idea of doing service projects with other boards was brought up and discussed among the board. This would mean teaming up with them for a day, or even planning an entire event alongside them, this proposal was generally supported.
5. There were a few main events that were the group decided to focus on which were: brainstorming unique and fresh ideas for an event, the commercials in exchange for the Respect Manual, and the SYBBQ in combination with the winning bands from the Battle of the Bands. Although no brand new ideas were brought up people had new things to add to the commercial idea, for example the style and topic of the commercials, as well as to the SYBBQ band idea, it was thought to be an extra incentive and publicity for the bands.
6. We then broke up into committees to plan the next meeting dates:
City Liaison: Nov. 1 at 7:00pm at the EHS Starbucks
Programs: Nov. 3 at 7:00pm at the EHS Starbucks
Community Service: Nov. 8 at 4:30pm at the EHS Starbucks
It was also made aware that the PIP committee would soon be having its own meeting dates and schedule.
7. The meeting was then adjourned at 6:35pm with an impromptu Eggstravaganza meeting following the meeting for anyone that was interested.
