

Thank you to our Co-Chairs Laura and Heather, along with the leadership team, for running a smooth first meeting.

It was wonderful to finally meet all of you, learn directly from the photographer herself Victoria Bjorklund the background of her work displayed at City Hall and also share all the great opportunities coming up in Sammamish.

Finally, below is an email from Rishabh regarding the Career Seminars and possible internship opportunity with the Chamber of Commerce.

Hey Lynne,

I was just contacted this morning by the UW and they said that their representative to the business seminar will not be able to make it, so they had to cancel, and in turn, the chamber decided that it would be best to cancel the business school seminar as a whole, but the career seminars will still be going on and we still need intern for the chamber.

If anyone is interested, please have the call Deb Sogge at 425 681 4910

See you at the October 12 Board meeting,
