Solicitation for Technical Services

The City of Sammamish Department of Public Works is soliciting proposals from consultants with expertise in pavement condition assessments for the following project.

City of Sammamish - 2021 Pavement Condition Assessment

Detailed information can be found in the Request for Proposal package available through Sammamish's project webpage at www.sammamish.us/pavementassessment. If you are unable to obtain the RFP package from the webpage listed above, please contact Benjamin Ressler by e-mail at bressler@sammamish.us. Proposals will be accepted until 4:00 pm on February 23, 2021.

The CITY reserves the right to amend terms of this Request for Proposal (RFP), to circulate various addenda, or to withdraw the RFP at any time, regardless of how much time and effort consultants have spent on their responses.

Dates of publication for this RFP are:
