REQUEST FOR QUALIFICATIONS

The City of Sammamish Department of Public Works is soliciting interest from firms with expertise in Civil and Environmental Engineering, Planning, Design and Construction for the following project.

228th Avenue Overlay, from SE 8th Street to NE 8th Street

The work to be performed by the consultant consists of preliminary engineering, environmental permitting and preparing final plans, specifications, and cost estimates for a one (1) mile road resurfacing project of 228th Avenue between SE 8th Street and NE 8th Street. The design and construction phases of this project contain federal funds through the National Highway System (NHS) Asset Management program.

Detailed information can be found in the Request for Qualifications package available through Sammamish's project webpage at www.sammamish.us/228overlay. If you are unable to obtain the RFQ package from the webpage listed above, please contact Ben Ressler by e-mail at the contact information below. **Proposals will be accepted until 4:00 PM PDT on September 16, 2021.**

Please direct any questions concerning this Request for Qualifications (RFQ) to the Public Works Project Manager listed in the RFQ. Proposing firms may submit written questions as outlined in the RFQ to the Project Manager at any time prior to the date in the Proposed Timeline. Any oral communications will be considered unofficial and non-binding on the City. Consultants are expected to visit the City's website for responses to questions and addenda.

The City reserves the right to amend the terms of this RFQ, to circulate various addenda, or to withdraw the RFQ at any time, regardless of how much time and effort consultants have spent on their responses.
