Dear Mr. and Mrs. Green,

Thank you for contacting the City of Sammamish regarding the current Shoreline Substantial Development Permit Application for East Lake Sammamish Segment 2B (SSDP2016-00415) and Inglewood Hill Parking Lot (SSDP2016-00414). A full plan set for this proposal is available to view at Sammamish City Hall during regular business hours, 8:30 am to 4:00 pm Monday through Friday. For three consecutive weeks in January, beginning January 10th, King County Parks Department will have a representative available at Sammamish City Hall on Tuesdays, Wednesdays, and Thursdays from 11:00 am to 3:30 pm to address design questions and clarifications with residents and concerned citizens. Subject: E Lake Sammamish Trail & Parking Lot

Lindsey Ozbolt,

I own a house in the Lake Sammamish Beach Club Neighborhood and wondered if our Beach Club Community lot on Lake Sammamish will be in any way effected by the impending trail and parking lot development?

In looking at the two notices I received along with photos and drawings, I cannot tell how or if our community beach lot and access will be impacted. Our lot is at the bottom of Inglewood Hill at the junction of East Lake Sammamish Parkway.
Looking forward to hearing back from you.

Loren and Terri Greenwood
