## Request for Qualifications

The City of Sammamish Department of Public Works is soliciting interest from firms with expertise in Civil Engineering Planning and Design to provide analysis and conceptual design to improve a segment of East Lake Sammamish Parkway (ELSP) that has experienced significant settlement. Additional services to complete the design and to provide construction management may be added later through contract negotiations.

Solicitation for this RFQ will be managed exclusively through Bidnet Direct. Vendors interested in viewing the RFQ and/or submitting proposals must be registered in the Bidnet system. For instructions on how to register, please email the project manager at [jdapcevich@sammamish.us](mailto:jdapcevich@sammamish.us).

Questions are due by Monday, March 17, 2025, at 4:00 pm PDT. Proposals will be accepted until 4:00 pm PDT on Thursday, March 20, 2025.

The City reserves the right to amend the terms of this RFQ, to circulate various addenda, or to withdraw the RFQ at any time, regardless of how much time and effort consultants have spent on their responses.
