Adopt-A-Road Routes Available!

Are you looking for an easy, on-going volunteer opportunity? We have several roads available for adoption to local groups, organizations and businesses. Upon signing an agreement and meeting initial requirements, organizations will have a nameplate installed on their adopted route. Initial requirements: 1) minimum of two participants 2) must sign an agreement 3) must first host two events to receive a nameplate and then host two events each year to retain nameplate. Roads are available on first come, first served basis. If all routes are full, you will be placed on the waitlist.

If you would like more information about adopting a road, please contact Francine Sanchez, Volunteer Coordinator fsanchez@sammamish.us

Volunteer Opportunities

Do you enjoy being outside or want to help in Sammamish Parks? We host events year-round (rain or shine) and have many opportunities for volunteers. Opportunities include event support at annual recreation events, special projects and habitat restoration. Individual, group and family sign-ups are welcome and encouraged. If you would like to receive alerts about upcoming volunteer opportunities, sign up for events and track your hours you can register at:

sammamish.galaxydigital.com/user/register/

If you have any questions about volunteering, please reach out to Francine Sanchez, Volunteer Coordinator fsanchez@sammamish.us

Did you know that Sammamish is a Bee City?

As a Bee City, Sammamish is working towards practicing more bee friendly management practices, building pollinator habitats and educating the public about the importance of bees.

You can find out more about Bee City and upcoming events by visiting: sammamish.us/projects/bee-city-initiative/

Sponsorship Opportunities

Organizing a community event or program requires significant effort and resources! The city hosts a variety of events and programs, providing a fantastic opportunity for your business to connect with potential and existing customers while demonstrating your commitment to the community.

Increase Your Visibility in the Sammamish Community!

Vision Statement

To create a happy and healthy community through our aim to inspire, support and celebrate volunteerism and recreation in our community.

Mission Statement

To promote recreational activities and volunteer opportunities for growth and enhancement by developing an array of diverse, free activities and multicultural events that promote engagement, community service and foster environmental stewardship while meeting our core values with the community.

Our Core Values

Inclusion

We strive to reflect diversity, equity and inclusion in all of our activities and services.

Sustainability

We work to improve environmental and recreational functions and improve the connection between people and the environment.

Collaboration

We seek to strengthen partnerships between the City of Sammamish, private organizations, volunteers and community groups to efficiently provide recreational opportunities to our residents.

Health & Wellness

We contribute to Sammamish's health and wellness by providing safe and accessible parks, facilities, activities and events.

Customer Service

We provide a high-quality parks system through exceptional customer service and stewardship.

Accountability

We commit to being professionally accountable to our customers, to our partners, to one another and to ourselves.

Fair Play

The City of Sammamish complies with the State of Washington's "Fair Play in Community Sports Act" (Chapter 467, 2009 Laws, effective date July 26, 2009) that prohibits discrimination against any person in a community athletic program on the basis of sex. Any questions or comments may be directed to the City of Sammamish Parks and Recreation Director.

RECREATION PROVIDERS

The City of Sammamish has a unique approach to providing recreation programs and services that is based on partnerships and agreements with other community-based recreation providers or through contract with other independent instructors for services. The City relies on other providers for most of its recreation services. The following is a list of the primary providers.

Volunteer Opportunities

Get Involved in 2025! Volunteer your time and talents to support City of Sammamish events and projects!

One-time or ongoing opportunities are available to fit your schedule. Volunteering is a great way to connect with community members and make a difference where you live. Please visit **sammamish.galaxydigital.com** for details on opportunities in the community, ability connect with other volunteers and an account to keep track of your data too.

Our volunteer program is designed to bring volunteers and staff together to assure the success of City programs and services. Volunteers provide valuable support and assistance to the public in a variety of programs and services throughout many City Departments.

If your organization would like to volunteer as a group, please contact Sebastian Ritacco sritacco@sammamish.us and Francine Sanchez fsanchez@sammamish.us to set up a group volunteer opportunity.

Walking Tour Guide of Restoration Sites

Stewards and volunteers have collaborated with the City of Sammamish, the Washington Native Plant Society and other regional partners to restore and conserve native plant communities in forests and stormwater sites throughout the area. We invite you to embark on a self-directed walking tour to learn more about what your community members are doing to support local ecosystems! These sites are undergoing active restoration so please stay on the trails!

Park Projects

There are a variety of volunteer projects happening in parks around Sammamish. Tasks can include native plantings, trail building, wetland and stream restoration, invasive management and storm cleanup.

Sammamish Stewards

The Sammamish Stewards preserve, protect and promote the natural environment within the City of Sammamish. The Sammamish Stewards are a volunteer group of community members actively involved in many areas of environmental work. More info is available at the Sammamish Stewardship website.

For specific details, please contact sammamishstewards@gmail.com

Learn More About Sammamish Stewardship:

- **Stormwater Stewards:** Work to promote native plants around select stormwater ponds.
- **Native Plant Stewards:** Employ restoration strategies to enhance native plant communities in partnership with the Washington Native Plant Society.
- **Wildlife Habitat Stewards:** Educate the community to improve wildlife habitat in partnership with the National Wildlife Federation.

Nature Vision: Summer Science Camp

Join Nature Vision this summer for a week of scientific exploration and learning about the natural world. With the forest as our laboratory and under the guidance of our staff of professional educators, campers will practice the skills that biologists, ecologists, and other scientists use in the field. By engaging in experiments such as water quality testing, surveying biodiversity, and more, campers will expand their understanding about the environment around them. We'll combine our scientific observations and data collection with songs, games and art for a fun-filled summer experience to help your budding scientist explore their passion for learning!

Introduction to Nature Vision Camps

Nature Vision camps are sure to be an engaging and unique experience for your child. Our camp staff are experienced educators and science professionals, many of whom hold degrees in education, natural sciences, and other related fields. We take pride in our work with young people, focusing on developing critical thinking, scientific observation, and social-emotional wellness skills for all of our participants. We help provide students with an opportunity to engage in fun and exciting experiences with the natural world and develop a lifelong sense of stewardship for the environment and our communities. Nature Vision's camps provide young people with a unique opportunity to explore and connect with their local environments, practice scientific skills, and most of all have a great summer with new friends outdoors.

Presenting Sponsor of the year

People Come First Construction

People Come First Construction Group, owned by Sammamish residents Rob and Lisa Greaves, is proud to support our vibrant community through their City of Sammamish sponsorship. As your neighbors, the Greaves family believes in giving back to the place they call home, bringing the same warmth and dedication to community events that they bring to their award-winning outdoor living projects throughout the year.

At the heart of People Come First is a genuine commitment to strengthening and connecting our community. From building bikes for children in partnership with Bikes for Tikes, constructing covered patio structures for Childhaven, and supporting the vital work of Habitat for Humanity, Rob and Lisa's passion for improving lives extends far beyond construction. Their partnership with the City of Sammamish reflects their belief that true success comes from lifting others up and creating spaces where everyone can thrive together. When you see the People Come First team at local events, you're not just meeting contractors; you're connecting with fellow community members who are invested in making Sammamish an even more wonderful place to live.

Fairy House Trail

The Sammamish Arts Commission invites creative and imaginative participants to contribute to the Fairy House Trail! Build your enchanting fairy houses at home and share them with the community to enjoy all summer long. This whimsical trail brings magic and wonder to visitors of all ages—join in the fun and let your creativity shine!

Fairy Houses will be displayed starting in the middle of June at Big Rock Park South

Fairy Houses can be dropped off starting June 1, at Sammamish City Hall. The deadline to submit your Fairy House is June 15.

FACILITY RENTALS

The City of Sammamish offers two facilities available for events, weddings, birthday parties, reunions, meetings, etc. The Lodge offers an enclosed venue with log cabin charm and space to accommodate groups up to 150. The Pavilion is a beautiful open-air facility offering a stunning lake view as a backdrop for your special occasion and space to accommodate groups up to 100. Both facilities are available to rent year-round. ****Due to shared amenities, capacity between both venues is 150 max, even when rented together.**

Picnic Shelters

The City of Sammamish offers five picnic shelters available for reservations March through September. Enjoy the park of your choice while hosting your gathering in a designated space. Several shelters are adjacent to athletic fields which may be reserved for an additional fee, based upon availability.

Treehouse Open Houses

The Treehouse will be open for visitors four times per month from May through September. These dates and times are posted online.

If interested in visiting and viewing this amazing treehouse, you are at the right place. The City is only offering limited visitation by the public in order to preserve the integrity of the structure and protect the trees in which it resides.

Pre-registration is recommended to visit the treehouse. Walk-ups subject to availability.

Beaver Lake Lodge
