

Landscape Architectural Consulting Services RFQ: Questions & Answers

October 1, 2024

QUESTION	ANSWER
The RFQ under Scope of Services includes some services that would best be completed by a subconsultant. Can we include subconsultant qualifications in the SOQ to demonstrate our ability to provide those services?	Yes, you can include subconsultant qualifications in the SOQ, if needed. However, the focus should be on your firm's ability to lead and manage the tasks. If teams are assembled, they will be assembled on a per-task order basis.
Do you want an entire multi-disciplinary team included in this response, or will teams be assembled on a per-work order basis?	Teams will be assembled on a per-task order basis.
